**Contact:** Map and Compass Module Coordinator, [maps@halifaxsar.ca](mailto:maps@halifaxsar.ca)

The session will be a combination of classroom and practical field exercises. The first evening will be spent learning the tools and the next day applying them. Be prepared to be in the woods. You will need a working compass, boots that will keep your feet dry and warm, layered clothing (no cotton or blue jeans) and a wind/ water outer layer. Expect to be active when in the field and engaged in solving the age old problem...." *where am I ?*"

**Lunch can be brought with you or you can skip into Sackville, only 5 min. away. There is a kitchen facility on site for preparation.**

The minimum age to participate is 12 years of age - all individuals under 16 years of age must be accompanied by a registered adult .

**Limited Registration**
